## **Prepare, Respond, Recover: What to do When Disaster Strikes**

In partnership with New York State, the American Red Cross is offering **FREE** Citizen Preparedness Corps training sessions entitled *Prepare, Respond, Recover: What to do When Disaster Strikes*.

New York State is at a high risk for man-made, technological and natural disasters. Governor Andrew Cuomo's Citizen Preparedness Corps training program provides residents with the knowledge and tools to prepare for emergencies and disasters, respond accordingly, and recover to pre-disaster conditions as quickly as possible.

A trained Red Cross representative will conduct an approximately two-hour session of the Citizen Preparedness Corps training program, which provides a comprehensive overview on how to prepare for, respond to, and recover from natural and man-made disasters.
