**TO OBTAIN A BUILDING PERMIT,  
THE FOLLOWING IS REQUIRED:**

1. Two sets of construction plans showing:
  - (a) Floor plans
  - (b) Typical sections

\*One set of plans will remain with the CEO. The second set will be returned to the applicant to be kept at the work site so as to be available for use by the CEO.

2. Certificate for septic system approval from Erie County Board of Health is required.
3. An excavation permit, if required, must be obtained through the Highway Department for front culvert pipe and road cut for sewer (required for dwellings not in a subdivision).
4. Contractor must be insured in the Town. Proof of insurance, certificates for disability, and workers compensation are required. There is no cost. This is **NY State Law**. Upon approval of this application the Building Inspector will issue a Permit. The CE 200 form can be completed online for immediate response at the following website:  
[http://www.wcb.ny.gov/content/ebiz/wc\\_db\\_exemptions/requestExemptionOverview.jsp](http://www.wcb.ny.gov/content/ebiz/wc_db_exemptions/requestExemptionOverview.jsp)

If the Contractor is Exempt from workers compensation, then they need to supply a CE 200 Form. This form is also required if the Home Owner is performing the work.

5. Any residential building or addition thereto, requires a professional architect or Engineers stamp registered in New York State, also a completed ResCheck form.
6. Only upon approval of the application by the Code Enforcement Officer the fee can be paid to the Town Clerk's office. The Code Enforcement Officer will issue a permit that is to be posted on the premises. **This permit is valid for a period of one year.**
7. If a house number is needed, please have your culvert in and a sign with your name on it by the driveway. House numbers are obtained from the Town of Concord Assessor's Office. Please contact that office at 592-4947 as soon as possible or in person during regular business hours. The assigned number should be posted at the driveway at all times.

Please see the attached Construction Inspection Checklist for additional requirements.
